

# It's easy to find a network dentist

We're committed to helping ensure that you and your covered dependents have the tools and resources to get the most from your benefits. This starts with making it easy to find a network provider. From routine preventive care to specialty care from oral surgeons and orthodontists, you'll save more on the care you and your family need by seeing an in-network provider.

## guardianlife.com

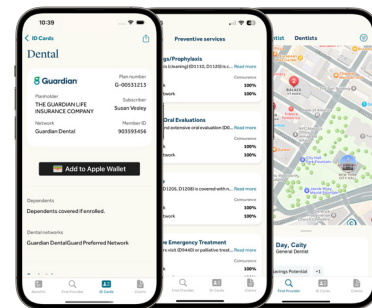

- Go to [guardianlife.com](https://guardianlife.com)
- Click "Find a dentist"
- Under "Dental benefits from your workplace" click "Find a dentist"
- Select plan type
- Enter your search parameters
- Customize your search by distance, specialty, and language spoken

## Guardian mobile app

In addition to downloading your digital ID card, you can use the app to:

- Stay on top of how much your plan has covered, including quick visibility to maximums and deductibles
- Find an in-network dentist near you
- Save your preferred in-network dentist to easily go back to later
- Track what claims have been paid and see what's still pending
- Access premium savings on oral health care products
- And more!

## Online or on the go — Guardian makes it easy to find a provider.

Your spouse, partner, or dependents aged 18 and older can create their own account and download the mobile app too.
