HSA Compatibility

The IRS limits the types of supplemental insurance that an individual who participates in a Health Savings Account (HSA) may have, while still maintaining the tax-exempt status of HSA contributions. Anthem offers the above plan designs that are designed to be HSA compatible. However, in any circumstance, please consult a tax and/or legal advisor to determine which supplemental insurance may be purchased by employees who participate in a HSA.

1. Hospital does not include: convalescent homes, or convalescent, rest or nursing facilities; facilities affording primarily custodial, educational or rehabilitative care; or facilities primarily for care of the aged/elderly, persons with substance abuse issues/disorders or mental/nervous disorders.
